

# Extended Warranty – Inverter Generators

Uninex provides an extended limited warranty for those who decide to extend from standard 90 days warranty. This extended warranty only differs from the standard Limited Warranty by the amount of days being covered.

Please check below one of the 3 options we offer and fill out all of the information needed. Note, this extended warranty will not be in effect until payment has been received in full.

- \$69.99** – From 90 day standard warranty to **1 year**.
  
- \$109.99** – From 90 day standard warranty to **2 years**.
  
- I do **not** need extended warranty.
